

Dena Yanowski

I get the most joy in my life from dancing. I'll try any type of partner dance, two-step and polka being my favorite, but am also happy to freestyle it with friends to a local Houston band or some classic 80s music.

To unwind after a long day I like to sit on the couch, binge watch some netflix, and work on a craft. I love sewing and crocheting and most recently got into soldering jewelry at a Houston makerspace facility.

I love riding my bike, and riding it to Rice to watch the sunset at the Turrell Skyspace is one of my go-to spots in Houston. Being forced to sit still and silent is something I don't do enough of on a daily basis. Being there, and having it free, is a real treat.
