

L. Sophia Zulu

If you could travel anywhere in the world where would it be and why?

-There are so many places in the world that I would love to travel to but if I had to pick one it would be Johannesburg, South Africa. My grandparents, aunts, uncles, cousins and my big brother all live there and I would give anything to see them and spend time with them.

What brings you joy?

-Going on an Adventure! Be that traveling or just exploring nature.
